Manager’s Comments

No lost-time accidents in 2006

Clarke-Washington EMC’s outstanding safety record is evidence that we keep safety as a top priority. We recently logged over 142,000 hours without any lost-time accidents. That total includes all of 2006 without any accidents and part of 2005. In fact we have had only one lost-time accident in the past three years.

In a business that sometimes requires long hours, working in severe weather and often at night, an excellent safety record brings job satisfaction and deserves special recognition.

A $50 Visa debit gift card was issued to each employee complimenting their efforts for over 142,000 hours worked without any lost-time accidents. Clarke-Washington EMC is safety accredited by the National Rural Electric Association.

Congratulations to all Clarke-Washington EMC employees!

In this month’s magazine is a list of the patronage capital checks which has been returned by the postal service. If you had service with the cooperative in 1981 and did not get a capital refund check you can check this list and see if it has been returned. We will need the 911 address for future mailings.

Thank you for your support of the cooperative!

Stan Wilson
is the General Manager/CEO of Clarke Washington Electric Membership Corporation

Scholarship Opportunity for Graduating Seniors!

Are you a high school senior who is graduating this spring? Are you a dependent of a member of our local cooperative?

If so, you are eligible to apply for a scholarship from the Electric Cooperative Foundation. Your local cooperative has joined other cooperatives throughout the state of Alabama to create the Electric Cooperative Foundation. This spring the foundation will be awarding scholarships across Alabama for students to continue their education at post-secondary and vocational schools.

For more details about these scholarships, obtain a copy of an Electric Cooperative scholarship application from your high school guidance counselor or call:

Bobby Farish
CWEMC
(800) 323-9081

Don’t wait; applications with all required attachments must be received no later than March 14, 2007.
If your name appears on this list, please contact our office at 1-800-323-9081 or 251-246-9081 and provide us with your current mailing address.

If your name appears on this list, please contact our office at 1-800-323-9081 or 251-246-9081 and provide us with your current mailing address.

</tbody>
</table>

*Days to maturity are from planting seed or setting transplants. The number of days will vary. Cultivars listed in this chart represent a few of those recommended for Alabama. There are many other good cultivars that are worthy of trial in the home garden.
